HR Pointers

- End year appraisals-Employees are reminded to start preparing for their end year appraisals which will start in November 2025
- Look out for Jubilee sessions for continued health and wellness talks in the month of October 2025.
- October is World Breast Cancer Month. Look out for screening services via jubilee through contact HR and the wellness WhatsApp group.
- As we approach the end of the year, we request that staff utilize their annual leave days to avoid December coverage issues – Supervisors and Sector heads should strictly implement and plan leave in their respective docket. **No carry over days.**

Medical Insurance

- For staff who have medical reimbursement claims, please ensure to submit your claims immediately for processing on time as you attach all the relevant documents.
- Effective **1st April 2024**, all reimbursement claims will require an **e-TIMS invoice** in compliance with the KRA requirement on the same. Please ensure to ask your doctor for this signature before leaving the facility **no claims will be paid without.**
- Dependents to be included immediately to the medical cover by providing the right documents on time. ie **Marriage Certificate and Birth Cert/notifications in order to avoid delays.**
- Accident reporting should be done at least **within 24 hours**, failure of which the insurance will not consider the request.

Thank

You
